

## # Content Planning Using AI Tools

### ## Tools Used

- ChatGPT
- Canva Magic Write
- Google Docs

### ## Objective

To generate blog ideas and plan Instagram content in a structured way.

### ## Steps Followed

1. Used ChatGPT to generate 10 content ideas around "Self-Growth"
2. Asked ChatGPT to suggest Instagram carousel outlines
3. Used Canva Magic Write to polish captions
4. Documented the final plan in Google Docs

### ## Output

- 10 blog titles
- 5 social media post ideas
- Example Instagram caption

### ## Reflection

AI tools saved time and helped generate fresh, engaging ideas.
